Hexol® appoints a new distributor in Macedonia

Nikosan-JZ, a Macedonian based company specializing in importing and distributing auto-mechanical spare parts and supplies, has been designated as an official distributor of Hexol® products in Macedonia.

Imported from Germany, Italy, Slovenia, UK, USA, and now Romania, their products are distributed in over 500 stores and auto-services throughout the territory of the Republic of Macedonia.

From the very beginning, Nikosan-JZ proved to be a trusted partner committing to long-term partnerships based on providing a vast array of high quality, diverse products with a focus on timely shipments, competitive pricing and effective stock supplies. Nikosan-JZ maintains a permanent stock of a minimum of 7000 different articles.

Their imported and distributed product portfolio includes lubricants, auto chemicals, and greases, alongside industrial lubricant emulsions. Web: www.nikosan.mk
