Hexol products now in Lithuania!

The management of **Hexol®** continues the international expansion strategy of Hexol products, which are now also found in Lithuania, through our new partner [MB Oilis Baltic](#).

We are confident in the new partnership and we are convinced that through the new open market, Hexol products will be appreciated by the consumers in this country.

MB Oilis Baltic was founded in 2012 and has as its main activity the sale of lubricants, being one of the leading distributors in Lithuania, with customers ranging from the largest and most successful Lithuanian companies to various end-users.

The qualified staff of MB Oilis Baltic has a great experience in the field of lubricants trade, so qualified advice and the right choice of products is guaranteed for any type of customer.

"We appreciate the experience based on tradition, the energy and dynamism of our new partners and we are confident that these authentic values will make this partnership successful for both companies" - Daniel Condratov, President of **Hexol®** states.
