## Hexol® brand celebrates 25 years of existence!

The anniversary of the 25 years of **Hexol**® activity was marked by an event at the Ramada Oradea Hotel, attended by employees, local authorities and **Hexol**® partners from over 15 countries around the world.

Throughout this period, full of challenges on all levels, **Hexol**® continued to progress with great seriousness and dedication, becoming today one of the most important lubricant producers in Romania, with an extensive distribution network, having distributors in over 20 countries worldwide.

At the same time, the 25 years of activity are also marked by an extensive project to develop and modernize the production process and to expand the storage space, both for the raw material and for the finished products, an investment that exceeds 1.2 million euros, which will bring a production capacity of 40,000 tons annually.

*"In this festive atmosphere, **Hexol**® expresses its gratitude and thanks its employees and all collaborators for the contribution made to the company during these years, together we created what **Hexol**® is today and together we will continue to progress and raise the standards of economic performance, leading the **Hexol**® company in as many countries as possible in the world"* - states Mr. Daniel Condratov - President of **Hexol**®.
